To Whom It May Concern:

I am writing this letter in behalf of Mrs. Irene Brewda.

Mrs. Brewda has been providing instruction to individual students for piano and voice, as a private contractor, for about 5 years in our music school.

Mrs. Irene Brewda possesses fine technical and communication skills. Her students are among the best prepared for recital performances.

Mrs. Irene Brewda will be an asset to any school.

Sincerely,

Paul Karasow
